

DOMINIQUE MOREL

Sculpture

September 8-October 6

Reception for the artist

Friday, September 8, 1989

6:00-9:00 PM

Dominique Morel, born in Algeria, currently resides in Montreal. Drawing on her North African roots for timeless imagery, she creates objects of elusive organic form, which draw us in a very primal, spiritually compelling way. These are archetypal forms which engage us in an inner journey to discover our own, more primitive past.
